BILL AMIRAULT (TOPIC: DEVELOPING A QUICK & EFFECTIVE CAREER SEARCH) As a

Career Coach and Mentor, Bill Amirault, has helped hundreds of motivated professionals find their next job or career very quickly with proven tools and 1-on-1 insights that highlight each person's unique value and passion. Prior to coaching, Bill had an extensive career in Marketing, Brand Management, Consulting, and Advertising with several CPG, Pharmaceutical, and Health Care companies, including Procter & Gamble, Schering-Plough, Johnson & Johnson and Del Monte Foods. Bill has an undergraduate degree in Industrial Engineering from RPI (Rensselaer Polytechnic Institute) in Troy, NY and an MBA from Indiana University, where he was graduate assistant Career Counselor in one of the leading on-campus Business Placement Offices in the US. He's always been active in sports and community activities. **Contact Bill:** billamirault@comcast.net or www.careeradvancementsystems.com

LINDA TRIGNANO (TOPIC: CHALLENGES & ASSUMPTIONS IN THE JOB SEARCH PROCESS)

Linda Trignano's consulting firm, Trignano Consulting, focuses on training and developing coaching individuals, groups, and business managers to develop into outstanding employees and leaders both personally and professionally. Linda's firm utilizes insight assessments which cover skills from selling to leadership development to ensure that individuals and business groups reach their full potential through communication skills development. Linda is a certified corporate recruiter and trainer. During her time with AT&T, Linda served as the subject matter expert on hiring, instructing managers on how to hire and interview for open positions within the corporation. She has recently included workplace grief coaching into her business practice, coaching individuals, teams, or managers in organizations and companies of all sizes, through periods of loss and change.
