**“The Art & Science of  
Speed Networking”**

*with Sara Greenhouse*  
*President, GENERATE BUZZ, LLC*

**December 15 @ 10:00 a.m.—12:00 noon**

---

“Speed networking” is a meeting format designed to accelerate business contacts, and involves multiple people that gather in a single space in order to exchange information. Participants greet each other in a series of brief exchanges during a set period of time. During an interaction, attendees share their professional backgrounds and business goals. Networkers are generally seeking exposure to new markets and/or to expand their pool of vendors.

***Please come prepared to share your networking success stories, too!***

*Meetings alternate between guest speakers and peer-conducted career workshops, and go until noon, at least. Also—before and after—network with other professionals who are currently unemployed/underemployed or looking for new/different career opportunities. All of our programs are free and open to the public, so please tell folks you know, and come join us...!*
